

Buying, Selling or Remortgaging your Property is generally regarded as one of the top 10 most stressful times of your life. Jasper Vincent Solicitors are a long-established local Hampshire firm who specialise in offering a high quality personal service to assist in reducing that stress. We have 3 offices (with our Fareham office currently undergoing redevelopment) and over 25 staff, we are flexible and can easily adapt to the needs of our clients. Jasper Vincent Solicitors were one of the nominee firms for Hampshire Incorporated Law Society Small Firm of the Year and are accredited to the Law Society's Conveyancing Quality Scheme. We pride ourselves on our client care and communication with all parties involved in the process.

Our Conveyancing team is made up of Solicitors, Legal Executives and Paralegals. Although the hourly rate costs for each of these vary, as conveyancing is a fixed fee area of law the qualification of the person undertaking your work does not affect the amount that you will be charged. There is no premium for a Solicitor and no reduction for a Paralegal. For more information on our staff please see Residential Property page on this website.

Costs are usually the single largest area of concern for those looking to utilise the conveyancing process. The complexity of property transactions can often be misunderstood and additional legal fees can be generated at an alarming rate. We have therefore tried to simplify the process and set out below the typical costs which would be expected.

**Please remember that all transactions are unique and for that reason we will always be pleased to offer you a bespoke quotation for your specific circumstances. Please email [southampton@jaspervincent.com](mailto:southampton@jaspervincent.com) and indicate which office you would like to deal with your matter.**

A couple of examples of quotes are given below which show what items are generally included in the quotes and part of the 'standard package' of work. We have also included a non-exhaustive list of common additional work which can be required during a matter and which would alter the basic costs quoted.

These examples assume:

1. A freehold sale with a mortgage to redeem
2. A freehold purchase by two purchasers with a mortgage and a 10% non-gifted deposit

## TIMESCALE

A typical transaction takes between 10 – 14 weeks from offer through to exchange and then a further 1 – 4 weeks for completion. This assumes a freehold transaction with a mortgage. Leasehold transactions generally take at least a further 4 – 6 weeks due to third parties' involvement such as Management Companies and Landlords.

This timescale is a guide only as all matters vary depending on the complexity of the case, the length of the chain and everyone's ability to proceed e.g. mortgages, Help To Buy ISA's, holidays etc. Please see our Conveyancing Flowchart for a breakdown of the basic steps involved in a standard transaction.

This information is designed to cover the most common additional legal work we are asked to undertake. There are other exceptional circumstances which can lead to additional fees. If these arise during the course of the transaction we will need to provide a further bespoke quote for dealing with that particular issue and we will discuss this with you before costs are incurred.

If you are purchasing or selling a leasehold property there may be other significant fees which are charged by the Landlord or Management Company and these vary widely. These are not taken in to account in any of the information above.

---

If you have been referred to Jasper Vincent Solicitors through a referral company or broker you may find that the costs you are quoted are different to those shown on this site, this is due to the fact that some of the referral agencies have their own costs schedule which is set by them and NOT by Jasper Vincent Solicitors.
